HAWORTH®

SPECIFICATION AND RENDERING SERVICES

KiSP has expanded its services and is now offering Specification and Renderings for Haworth dealerships. We continue to offer cost effective solutions for the Furniture Dealership community; our services go from CAD specification, Photo quality Renderings and Value engineering to Animations, Virtual Spaces creation and preparation of BID packages.

Our extensive experience and deep knowledge of the Furniture industry gives us the expertise you need to get your projects done in a timely and accurate manner, ensuring your complete satisfaction. You can rely on us.

Our services are complimented with our amazing turn-around time of 24/48 hours and unbeatable rates: \$30 per hour for CAD specification; lowest rate in the market. Different specials for Photo quality renderings are offered every month through our mailing lists, [sign up!](#)
